**Corbynism - what went wrong? What lessons can we learn? A round table discussion**

**The Battle of Lewisham and the New Cross Fire - a discussion**

On 13 August 1977 five thousand socialists and black youth drove the fascist National Front off the streets of Lewisham. The fascist March was protected by over one thousand police. The story of our victory in the Battle of Lewisham is full of lessons for today.

The other side of life in Lewisham for black people, 40 years ago, is the tragedy of the New Cross Fire, Black people were regular targets for police and racist violence and harassment.
